Welcome to IXL!

IXL is a comprehensive, standards-aligned math and language arts program offering unlimited practice in thousands of skills. One of the best things about IXL is that you may use it from school and from home!

Before you start, be sure to sign in to your IXL account! Enter your username and password on this page and click "Sign in." If you do not know your username or password, please ask your teacher. And remember to bookmark this page so that you can return here easily.

After signing in, click on your grade to select skills to practice. You may place your mouse over any skill to see a sample question. Or, click the Awards tab to begin conquering challenges and uncovering prizes!

IXL - Practice and excel!

The username will be the TSC student/teacher username. Teachers will use the password they created. Students will use their TSC assigned password.

If you enter the username as your TSC username with @tsc (jdoe@tsc) and then your password, it will log you into the TSC IXL site.

This will also be the case for the iPad app. The @tsc will need to be added to the end of the student/teacher username.
