

PowerSchool Mobile App – Parent/Student Options:

Feature	Description
Dashboard	Similar to the Quick Lookup screen on the PowerSchool Student and Parent portal, this view displays a column and row view of an individual student's schedule. The rows are organized as the student's schedule and the columns are the grades. The last column is a total count of absences for each specific section. Tapping on a section title, grade, or attendance total will display the specific data details.
Assignments	Displays all assignments and the associated score. Tap on an assignment to view details. Tap Share to post the assignment grade on Facebook. Tap the category to view details. The Filter option allows you to group or sort data, or filter data by terms.
Grades	Tap the tabs across the top of the screen to view Final Grades, Standards, or Citizenship grades. Tap the grade to view grade details. Tap Share to post the grade to Facebook. The Filter option allows you to group or sort data, or filter data by terms.
Attendance	Displays student attendance. The Filter option allows you to group or sort data, or filter data by terms.
Schedule	Displays the current student schedule. Tap on a course to view course details, then tap on an assignment or grade to view further details. The Filter option allows you to group or sort data, or filter data by terms.
Teachers	Displays all teachers for the student. Tap on a teacher name to view the courses they teach with the student. Tap the email address to send an email to the teacher. Tap a course to view course details.
Activities	Displays all school activities for the student.
Email Alerts	Set the type of email alerts you want to receive. Use the controls to set the type of email alerts to receive. You can also set the frequency of how often you receive email alerts, and set a distribution list.
Live Feed	Displays current assignment grades, final grades, absences and activities.
Summaries	View current absences, GPA, fee balance and meal balance for each student associated to the parent account.
Announcements	View all announcements for all students associated to the parent account.
Calendar	Displays events, activities, announcements, scores and fee balance for all students associated to the parent account. Tap the navigation arrows to scroll through the calendar to see past or future dates. The Filter option allows you to show or hide specific data on the calendar.

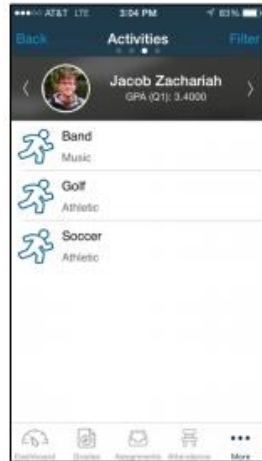

PowerSchool Mobile App – Parent/Student Settings:

Settings:	
Enable Passcode Lock	iOS app only. Enable to require a passcode to access the app.
Notifications	Enable push notifications for final grades and/or attendance
Disabled Features	Displays a list of features that have been disabled by the administrator. The server API version and the District Code also appear at the bottom of the screen.
Attendance Codes	View attendance codes for the district.
Student Photos	Manage the student photo. You can choose an existing photo, take a new photo, delete an existing photo, or update the photo from the PowerSchool server.
Preferred Name	Add a preferred name for the student.
System Logs	iOS app only. Displays system logs associated with PowerSchool sync. You can choose if you want to receive alert message when there is an issue connecting with PowerSchool. You can delete log messages from the list.
FAQs	Displays a list of frequently asked questions about PowerSchool Mobile.
Rate Our App	Submit a rating for the app.
About	Displays the app version number and information on the PowerSchool Mobile team.
Acknowledgements	Displays copyright and permissions from third-party developers.
Help Center	Displays online help on how to navigate the screens in the app.
Logout	Tap to logout of the app.
