

Mustang Monthly

Principal's Message

We have had a great first eight weeks of the school year! I wanted to relay a program we have that recognizes positive character traits going on every day at Wainwright. Each week teachers complete a positive office referral for students that are based on: attitude, enthusiasm, compassion, encouragement, self-control, respect, integrity, accountable, and honesty. The teacher will discuss with the student and parent that they have completed a positive office referral and explain why they did. Once a month 15 students are randomly selected out of the monthly positive office referrals for pizza with me. This year we are fortunate to partner with Buck Creek Pizza – Dayton Station. If you try Buck Creek Pizza – Dayton Station in Dayton be sure to thank them for their support in this program. It has been a success so far, and we are looking forward to continue to recognize the positive character traits that we see each day at Wainwright.
